Lorem ipsum

Due to the lack of specialized testing facilities within Ireland and the EU, we ensure the quality of our products by using accredited, ISO/IEC 17025-certified third-party laboratories in the USA, which adhere to stringent testing standards. EU guidelines on microbials testing in smokable hemp products are unclear. For full transparency, our samples tested at 200 CFU/g (Colony Forming Units), which is below many U.S. state limits which often range up to 1000 CFU/g. We encourage you to make informed choices based on this information.
